Keeping in view the industrial complex of the area, possibilities of locating an Industrial Training Institute at Dandeli were examined. The Forest authorities on being approached regarding the availability of land, have confirmed that 30 acres of land can be spared and can be transferred free of cost to this Department (vide D.O.Nos.B-3/GFL/574/66-67 dated 5-10-67 and B-3/GFL/574/66-67 dt 4-9-67) from the Chief Conservator of Forests(copies enclosed).

It appears that you intend to implement the scheme of the Government of India in the area proposed to be released for the starting the above training institute. Since your's is also a Government of Mysore concern. The possession of the land could be transferred to your control.

If the land is required by the Government of India entriely for their purpose, it will be on lease basis, the rent etc. to be fixed by Government.

You may intimate your views after you visit the area along with Sri Sharma, conservator of Forests, Kanara Circle, Dharwar as it may not be possible for me to accompany you.
